Dear Readers,

The Summer Reading program has been abuzz with Bee Keeping and aflutter with Monarchs on the Move. On July 6 at 10:30am, it will come alive with animals from Sioux County Conservation in the City Hall Gymnasium.

Independence Day is widely celebrated with colorful fireworks, parades, barbeque, picnics, and baseball games. The colors red, white, and blue fit nicely in with our summer theme of Reading Colors Your World. The meaning behind the United States official colors were developed in 1782, six years after the signing of the Declaration of Independence, and five years after the adoption of an official flag. Red symbolizes valor and bravery. White represents innocence and purity. Blue signifies justice and perseverance.

Happy 4th of July on the birthday of this land called America the Beautiful.

Peace be with you,

Lisa Johnson, MLIS
