## Library Resources: NoveList

Summer is a great time for reading, but it can be hard to choose what book to read next! NoveList can help! Search by genres and themes, your personalized taste (or "appeal"), author read-alikes, award-winners, and much more. On our catalog, look under "Electronic Resources" and select "NoveList Plus." Then hover over the drop-down menus at the top to see how this powerful tool can help you find your next favorite book!

## What's new in the library?

What's this? So far, it's just a bulletin board, set up near the YA and Adult Graphic Novel books. We're counting on you to make it more! Submit your artwork to the front desk at the library and you might find it here!

Games in the library? That's right! Escape the summer heat for a game of chess or mega-Jenga!

Come visit the library for our summer book sale! We have books for all ages, and all books sell for only \$0.10!

Dear Readers,

Here is some good news - changes are coming for the library! We are upgrading our online presence with a new library website! The new website will provide easier access to library information, services, our online catalogs, and the database resources. And – it will be computer and device friendly! This renewal includes new online resources as our databases contracted with the State Library of Iowa change too. The new resources will include an online encyclopedia/general reference database, a resource for homework help, legal forms, and business and residential directories. All of this will happen within the next few months. Not everything will change, though! You can expect to see familiar favorites like Bridges, CloudLibrary, CreativeBug and Novelist Plus (many a librarian's favorite).

The online library is like our branch library – one without walls. You can access this library 24 hours a day – 7 days a week. All you need is a library card! So, if you live in Orange City (including NWC students) or Maurice, sign up for your resident library card today! If you live in other areas of Sioux County, we can help you get access, too!

Peace be with you,

Lisa Johnson, MLIS

## NEW BOOKS AT THE ORANGE CITY PUBLIC LIBRARY
